**Farm and Ranch Solid Waste Cleanup and Abatement Grant Program**

**Work Plan**

The Work Plan should be a step-by-step list of the tasks necessary to remediate the nuisance or threat posed by the illegal disposal of the waste. A separate work plan should be completed for each site unless a series of small sites are close in proximity and have the same characteristics as described on the Site Characterization Form (*Exhibit J*).

See Section (IV)(B) of the Application Instructions.
